

As part of the City's ongoing effort to keep our residents informed and involved, the City of Canyon Lake is excited to announce the launch of a new Speaker's Bureau, a free local service to provide citizens with information about our programs and services. Canyon Lake's civic, church, social and professional organizations and clubs are all invited to contact City Hall at 244-2955 or at [smanwaring@cityofcanyonlake.com](mailto:smanwaring@cityofcanyonlake.com) to request a guest speaker to attend their upcoming meeting or special event.

City speakers can make presentations on dozens of topics, from public safety to City finances or transportation. Our available speakers range from Sergeant Joe Belli of the Canyon Lake Police to the Mayor, members of the City Council or our City Manager and other City Hall staff.

The presentations give the City a chance to talk to the community about our services, but also helps the City gain important insight and feedback about community issues. Our customers are our residents, and at the City of Canyon Lake, we are doing everything we can to make sure they stay informed and involved in the City's activities.
