**A cornucopia of locally grown fresh vegetables, fruit and flowers will greet visitors this Sunday at Canyon Lake's new certified Farmer's Market, the latest in a series of family-friendly community activities created by the City of Canyon Lake to enhance the quality of life for its residents.**

**Residents and neighbors alike are invited to stroll through the open-air market every Sunday at 10 a.m. in the Canyon Lake Towne Center at Railroad Canyon Road and Canyon Lake Drive South. While there, visitors will find the freshest and best-tasting seasonal produce, along with plants, art and handcrafted items from dozens of vendors.**

**The new Market is a partnership between the City of Canyon Lake, the Canyon Lake Merchant Owners Association and the Canyon Lake Chamber of Commerce.**

**The Market is family-friendly, clean and loads of fun. Owner Gale Cunningham and manager Pam Earle are experienced business women and old hands at market hospitality. Gale also owns the downtown Temecula Market, conducted on Saturday mornings, and the Promenade Mall Market on Wednesday mornings.**
